APOSTOLIC VOICE NETWORK

GENERAL VISION AND MISSION

Apostolic Voice Network is committed to equip the saints for the coming moves of the Spirit and to fulfill their divine destiny demonstrating Christ's nature and ministry in the earth. (Ephesians 4:11-16)

To raise and train believers with the Kingdom mentality who are totally committed to the Lord and to His Kingdom.

To break down walls of divisions, segregation, personal limitations, all prejudices, religious mindsets and familiar spirits that hinder Kingdom advancement.

To pioneer and develop Kingdom churches, Kingdom organizations, and Kingdom businesses that will advance God's purposes in the land in our day. We are committed to empowering vanguard leaders to influence and shape the culture of our day. Our culture is shaped in the seven mountains spheres: family, church, media, government, education, arts/entertainment and finance /business.

AVN is a vehicle and not a box, creating opportunity, creativity, self-worth, security and significance to its participants.

Through covenantal relationships, training seminars, apostolic/prophetic summits and through spiritual incubators, AVN is committed to the high calling of God that rests upon its pastors, churches, ministers and marketplace leaders.

To develop and support Kingdom businesses with primary commitment to the advancement of the Kingdom of God. Kingdom businesses will enhance the interaction of the local church and society thereby fulfilling the Biblical promises of the transfer of the wealth of the wicked to the just (Isaiah 60:4-11 and Deuteronomy 8:18). AVN is committed to helping create new Kingdom businesses that will bring societal reformation and revival in the marketplace.

AVN endeavors to create opportunity that will empower the expression of spiritual gifts and ministry in each member through apostolic mission trips, prophetic dialogue, conferences and seminar panels.

Before building ministries or business, we endeavor to build relationships. Relationships are the meaning of life. AVN is not an organization of members but a living organism of men and women organically connected by the Holy Spirit. Any time a network extends beyond the scope of developing relationships, that network has gone beyond the goal it was designed to produce.

APOSTOLIC VOICE NETWORK

APOSTOLIC NETWORKING - DEFINING THE TERMS

Jesus said in Matthew 13:47 (NKJV), "Again, the kingdom of heaven is like a dragnet that was cast into the sea and gathered some of every kind." The kingdom of heaven is like a dragnet.

A dragnet:

- 1) A net dragged along the bottom of the river for catching fish
- 2) An organized system or network for gathering in or catching

A net is made of different strands of rope interwoven, knit together and tied in a knot at the ends. Networking is an assembling together of ecclesiastical and marketplace ministers that are interrelated by vision and purpose; different streams that bring healing to a city, region, nation, and ultimately the world; diverse ministries with a common purpose knitted together in covenant, we are bound to each other spiritually and covenantally, not legally or financially. We believe all relationships must be God ordained not political; voluntary, not legislative.

AVN is not a club or denomination, but a divinely connected alliance which allows us to work in Biblical order and divine authority to further God's purposes in our world. It is a vehicle that connects us to global transformation through interpersonal relationships. It includes, not excludes, and does not prohibit fellowship with other networks and organizations, but encourages interaction with other fellowships. Essential to the spirit of the net are elements of vision, mission, integrity, relationships, destiny and accountability. AVN holds a strong position that the unique identity of each member must be preserved, recognized, developed and empowered; in this diversity the manifold expression of our Lord is revealed.

1 Corinthians 12:4-7

"Now there are diversities of gifts, but the same Spirit. And there are differences of administrations, but the same Lord. And there are diversities of operations, but it is the same God which worketh all in all. But the manifestation of the Spirit is given to every man to profit withal."

Ephesians 3:10

"To the intent that now unto the principalities and powers in heavenly places might be known by the church the manifold wisdom of God."

The network solves the problem of churches, businesses, fivefold leaders and marketplace change-agents from working alone. We believe the new wine, the new thing the Lord is doing is found in the cluster, the "Corporate Anointing," not in any individual anointing.

Isaiah 65:8

"Thus saith the LORD, As the new wine is found in the cluster, and one saith, Destroy it not; for a blessing is in it: so will I do for my servants' sakes, that I may not destroy them all."

The role of the network leaders is one of facilitation rather than domination; our job is to make room, serve and support the network team.

APOSTOLIC VOICE NETWORK

THE APOSTOLIC CHURCH

The church of Jesus Christ is living in a period of great restoration. The present move of the Spirit of God is the Apostolic Reformation.

In the birthing of the church in the book of Acts, we see the apostles and prophets as the foundation and Jesus Christ Himself being the chief cornerstone. Jesus first called the twelve disciples who would eventually become apostles. Apostles and prophets equipped, developed and trained pastors, teachers and evangelists and established them into their ministries.

Ephesians 2:20-22

“And are built upon the foundation of the apostles and prophets, Jesus Christ himself being the chief corner stone; In whom all the building fitly framed together groweth unto an holy temple in the Lord: In whom ye also are builded together for an habitation of God through the Spirit.”

After the first century the fivefold grace gifts (apostles, prophets, evangelists, pastors and teachers) had been lost. But beginning with the fourteenth century reformation we see a gradual recovery of these ministries in the reverse order in which they were lost. The principle that *‘the first shall be last and the last will be first’* applies here.

We see the apostolic ministry being the last to be restored and having the least amount of time to fulfill its purpose during the church age. Yet, it will be ample time to accomplish their purpose in the earth. Much like the apostolic church in the first century, no other generation accomplished so much for Christ's Kingdom than that generation.

We know the glory of the latter house shall be greater than the former house! The apostolic church will do more for the advancement of the Kingdom of God than any other generation.

When we speak of the apostolic church we speak of apostles, prophets, evangelists, pastors, teachers and the saints working together in harmony to establish God's Kingdom in planet earth.

Ephesians 4:9-13

“(Now that He ascended, what is it but that He also descended first into the lower parts of the earth? He that descended is the same also that ascended up far above all heavens, that He might fill all things.) And He gave some, apostles; and some, prophets; and some, evangelists; and some, pastors and teachers; For the perfecting of the saints, for the work of the ministry, for the edifying of the body of Christ: Till we all come in the unity of the faith, and of the knowledge of the Son of God, unto a perfect man, unto the measure of the stature of the fullness of Christ.”

The offices of apostle, prophet, evangelist, pastor and teacher are ascension gifts that Jesus has given to the church as expressions of His nature and ministry. These are the five loaves of bread that have been broken and given to the church. These fivefold gifts do not compete with one another but complete one another; each having different functions, gifting and anointing, but all working together to build the end time church: a people who will be God's habitation through the Spirit.

Revelation 21:3

"And I heard a great voice out of heaven saying, Behold, the tabernacle of God is with men, and He will dwell with them, and they shall be His people, and God Himself shall be with them, and be their God."

The fivefold ministers are the hand of God:

Apostles	thumb	govern
Prophets	forefinger	guide
Evangelists	middle finger	gather
Pastors	ring finger	guard
Teachers	little finger	ground

As the body of Christ humbles themselves under the mighty hand of God, "fivefold ministers", the Lord will raise them up in due time to fulfill their destiny in the earth.

1 Peter 5:6

"Humble yourselves therefore under the mighty hand of God, that He may exalt you in due time."

We must embrace all five giftings into our lives and churches so that we will fulfill our divine destiny.

Revelation 3:20-21

"Behold, I stand at the door, and knock: if any man hear My voice, and open the door, I will come in to him, and will sup with him, and he with Me. To him that overcometh will I grant to sit with Me in my throne, even as I also overcame, and am set down with my Father in His throne."

We see Jesus knocking at the door of the church of Laodicea, the last of the seven churches or the end time church. He is on the outside looking in. Notice the hand was knocking; this represents fivefold ministry, desiring to come into the church. We must receive not only pastors, evangelists and teachers into our lives and churches, but also prophets and apostles. Together they bring us into an intimate relationship with the Father and establish us into our place of rulership and authority.

Apostles and prophets are foundational to the church. While many think because they may be an apostle or a prophet that they are over the people, they are also under the people. Apostles and prophets are *over* the people to cover and protect, but they are also *under* the people raising up the saints to Christ and into their destiny.

The fastest growing part of the church in the last decade has been the apostolic movement. The church cannot grow to its full stature or accomplish its purpose without the apostolic ministry. As the body receives this present move of the Spirit, the restoration of miracles, healing and great power will be restored to the church. But most important, a people will be matured in the earth to look just like Jesus.

Apostles are God's builders of His glorious church. Apostles are the most panoramic of the fivefold ascension gifts. They have the ability to see the whole picture. Whereas a pastor is more local church minded, the apostle's heart is to gather, mobilize and equip the church into a fine tuned invading and occupying army.

The grace of the apostle is to impart to the believer to build God's church and to finish what the Lord has sent us to do.

As the apostolic ministry and government are restored to the church, the church will grow into a corporate anointing that will change the world and the generations to follow.

APOSTOLIC VOICE NETWORK

21ST CENTURY APOSTOLIC CHURCH IN THE MARKETPLACE

The Apostolic Church is putting a new face on what the 21st century will look like. To be the true salt and light that Jesus Christ called us to be, we must now become a wall-less church. Man was created for conquest and adventure. When Kingdom is only a Sunday event, man's need and passion for conquest is misplaced. When men and women in the marketplace do not have a clear vision as to their calling in the seven spheres of society, their conquest and adventure will be misdirected. Misplaced conquest and adventure will lead men to sinful, unproductive lifestyles. When King David was meant to be on the battlefield, he was found in the bedroom; this is misplaced conquest.

Today's true battlefield is in the marketplace or what we call the seven mountains of society: family, church, media, government, education, arts/entertainment and finance/business. As marketplace leaders and change-agents, we are called to recover the earth for God and bring it under His Kingdom rule. As priests in the marketplace, we are called to minister to everyone in our sphere, praying for them, healing them, prophesying over them, encouraging them and leading them. As kings, we rule over every circumstance and take dominion over principalities and powers that keep our cities and people captive.

Our pursuit in the marketplace is not just revival but the establishment of Christ's Kingdom in the planet. The current war in the world is for culture and economics. We are called to create a new culture and finance it for the glory of God. Our mission in the marketplace is to bring deliverance in the earth and to occupy it, then fill it with the glory of God. The Kingdom of God is more than evangelism, healings and salvation; it is to recover, reform and refill the earth with Christ's Kingdom. Genesis 1:26-28, *"And God said, Let us make man in Our image, after Our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth. So God created man in His own image, in the image of God created he him; male and female created He them. And God blessed them, and God said unto them, Be fruitful, and multiply, and replenish the earth, and subdue it: and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moveth upon the earth."* Psalms 2:8, *"Ask of me, and I shall give thee the heathen for thine inheritance, and the uttermost parts of the earth for thy possession."* Kingdom reformation and restoration is the answer to the world's present chaos.

The Christian Chamber of Commerce of Western PA is an affiliate of the Apostolic Voice Network. CCCWP is an empowerment agency to equip, train and prepare marketplace leaders for 21st century transformation and reformation.

APOSTOLIC VOICE NETWORK

CREATING WEALTH - DETERMINING DESTINY

Apostolic Voice Network is committed to the empowerment of its members unto the creation of wealth for Kingdom advancement. We are called to be channels of wealth and not reservoirs. As wealth channels, we will impact, transform and meet the needs of others within our world.

The Lord is presently raising up a Joseph Company who have been handled by God and therefore, ready to handle great wealth. AVN's economic think tanks are spiritual engines for divine synergy and the creation of diverse portfolios of products, inventions, businesses, investments and the acquisition of lands that will expand the Kingdom.

AVN encourages, develops and stimulates Kingdom entrepreneurs to birth, expand and replicate Kingdom businesses.

AVN endorses the economic empowerment of the next generations; training them for real economic liberation, vision and community entrepreneurship. We at AVN believe that we are the generation to conquer mammon and lay it at the feet of Jesus for His use. The economic reformation we are now in is not for everyone but those who do it right. (Proverbs 13:24) We at AVN believe that financial success is not the final goal, but rather financial influence is what we should achieve.

APOSTOLIC VOICE NETWORK

CORPORATE ANOINTING

The corporate anointing is greater than any individual anointing. Our individual destiny is found in our corporate identity. It must be the whole body or no body. Remember great teams win championships not great individuals.

Currently the Lord is raising up a Kingdom of priests, a plurality of ministry. Revelation 1:6, *“And hath made us kings and priests unto God and his Father; to Him be glory and dominion forever and ever.”* This priest / king company of believers will be marked by servant leadership, covenant, spiritual maturity, power, love for all, ethnic and gender diversity and a finishing anointing.

AVN solves the problem of man being alone. (Genesis 2:18) True spiritual ministry and authority is a direct result of the interaction and relationships of the members of the body according to the unique calling, gift clusters, and purpose in Christ. The alliance of ministers and individuals creates and develops true Kingdom networking.
